- Ensure that our practices and behavior conform to the representations we make about ourselves as yoga practitioners.
- Strive to communicate with and about colleagues in a professional, balanced and factually accurate manner.
- Practice acceptance towards other teachers, schools, systems of yoga, and wellness traditions.
- Not tolerate bullying in any forms (physical, verbal, emotional, cyber) and will speak up if we encounter it.

SPEAK UP!

SHOULD YOU EVER NOTICE WAVERING IN OUR ETHICAL COMMITMENTS TO THE PUBLIC, HERE'S WHAT YOU CAN DO:

- Please contact Studio Management and our Community Engagement Coordinator at info@metayogastudios.com to discuss the issue. We will reach out to any team members involved so we can work to determine individual needs on a case-by-case basis to resolve the problem.
- Additional training or professional development activities may be asked of our team members in order to continue working with MYS.
- If our management team ultimately believes any breaches to be irrevocable, that will be made known to the team member and may be grounds for termination.
